DramaWay Friends

Happy New Year to you All.

We have the best way to get back into action. There is an independent Community Event coming up in which a few of our DramaWay performers are involved with. We are excited that the community will get to see their talents, so if you are able to attend and support the Performers it would be awesome! It's rare our Performers get this opportunity so showing our support would be excellent.

The DramaWay Performers have been selected to perform at the 2nd Annual Motionball Idol Event taking place Saturday, January 20th at SpeakEasy (located at 21 Adelaide St West) in Scotia Plaza. The event starts at 2:30 pm so everyone is encouraged to arrive for 2:15 pm. This event is all about simply having fun and getting an opportunity to perform on stage.

Motionball has 4 confirmed celebrity judges joining them on the 20th - Devo Brown; Tessa Bonhomme; Karl Wolf and Melissa Grelo - all of whom are excited to watch everyone perform. After each performance the judges will get together and discuss how the performance went and one of them will come on stage and provide some constructive criticism on how it went. Once all the performances are done the judges will then pick one winner who will get a chance to sing a song at the big Motionball Gala on Feb 2nd at Liberty Grand!

Hope to see you there! If you plan to attend, add a comment to this post!

\*If you have special requests regarding accessibility or more particulars, it is best you contact Paul Etherington of Motionball, as we have no further details other than what we have shared above.

Thanks
